Sir,

With reference to your docket No 32.09/700 dated 14th Instant, I have the honor to forward herewith a nominal roll of the elephants sold at Palghat, showing their height and the price obtained for each; and also an abstract memo of expenditure incurred on account of the same.

It will be observed from the roll that the amount of the 1st sale is Rupees 26,504, and that of the 2nd is Rupees 8,505-4-0 thus making a total sum of Rs 35,009-4-0; and that the expenditure shown therein, exclusive of the fodder charges and of the pay etc of the Dasa and other attendants of the elephants is Rs 5,796-10-6.

The proceeds of the 1st sale, viz, 26,504 was paid in full into the Bangalore Treasury, and a receipt No 367 dated 10th February 1890 was obtained for the same.

With regard to that of the 2nd sale a sum of about Rs 7000 was spent out of it on account of urgent demands, such as for special trains, return fares of the attendants etc, luggage charges, sale notices, auction charges, cost of cages, and other sundry expenses as detailed in the memo of expenditure amounting to Rs 5,746-13-6; and the balance which was included with the current expenditure of the Department was for fodder purchased for the elephants and for the payments made to certain Dacca Mahouts who returned to their homes and to those men whose services have been dispensed with.

To adjust these items of exc= =penditure, the Treasury officer Mysore, was in Docket No 179 dated 11th Instant × requested to make a debit entry of Rs 7000 and to credit the same together with the sum of Rs 1505-4-0 delivered in cash towards the sale proceeds; and to grant a receipt. The Treasury Officer refused to make the debit entry, as per docket No 601 dated 14th Instant on the ground that the Deputy Comm'r's order was necessary, and to credit the full amount of the sale proceeds viz, 8,505-4-0 but only granted a receipt No. 613 dated 13th Instant for Rs 1,505-4-0, the cash actually paid.

were, in all, purchased for Rs 45,280/- of which one elephant for which a price of Rs 3,500/- was paid, is reported to have been drowned in crossing the Sal. ween river. The transport and other charges of the remaining elephants amounted to Rs 26,766-11-11 exclusive of the personal expenses of Mr Sanderson amounting to Rs 640/- Against these charges the original provision stood at Rs 25,000/- and the Budget grant was, in consequence, provisionally raised to ~ Rs 1,15,000/- thereby providing an additional sum of only Rs 29,000/- While the Budget grant has further to be raised by Rs 19,000/- on the above account Mr Sanderson has submitted a supplemental Budget for Rs 13,000/- for reasons assigned in his letter No 263 dated 23rd ultimo (copy of which is enclosed); and under the circumstances represented in para 3 thereof, and as he also sent an urgent message for funds, I have, subject

5. Mr. Sanderson has not replied as yet to my letter with reference to para 4 of Government Proceedings No. 4441-2 70 quoted on the margin. But the Establishment provided by him in the Budget for the next year - viz., three clerks at Rs 40, 30 & 20 and 4 peons and one lascar at Rs 5 each, may be definitely fixed. He has also appointed a Sub Inspector on Rs 100/- per mensem in addition to Field Inspector Mr. Theobald to enable Kheddah operations being extended into North Mysore, about which Mr. Sanderson says, he has received personal instructions from the Dewan. Under the circumstances, the above appointment may also be sanctioned.

Sir,

I have the honor to inform you that on looking over the financial position of the Kheddahs, I find that the expenditure has up to the end of December, exceeded the years budget allotment of Rs 85,880 by a couple of thousand Rupees. — I further apprehend that somewhere in the neighbourhood of Rs 10000 may be required up to the end of the official year.

2. The causes of the excess expenditure are chiefly, —

(1) The keep of five state elephants (about Rs 3000 up to end of March) which are surplus to the Koonkies and for which no provision was made in the budget and fitting them with trappings at the Dussera's. ——

(2) The heavy repairs found necessary to the Kheddahs at Kakenkote after the rains, and for which provision had not been remembered in making the budget. — The character of the soil

I think this Department is quite entitled to
take credit for the latter sum, which results
from a good speculation made with the
Burmah elephants: and Rs 22,500 more
might fairly have been credited to it for 4
elephants made over to His Highness the
Maharajah, and to the State, at cost price. —

5. I request that no delay may be allowed
to occur in forwarding this matter, as it
is not easy to manage in the field with
calls for funds and without the wherewithall
to meet them. ———

Soil. Which is exceedingly hard when dry, and more slush when there has been rain made the execution of the repairs very expensive. — It must be remembered that we had no experience in this part of the country, and in consequence some oversights were unavoidable. ——

(3) The having carried out considerable extensions and additions to the Kheddahs at Katenkote which were not intended to be done during the current year; but which it was found desirable and convenient to execute during the just-past hunting season, and at the present time. — This is so much to the good for the future, and I may say that there will be considerable saving on the work provided in connection with the Kheddahs in the budget of the coming year, so that it is merely transferring to this year. ——

(4) Rs 25,000 was provided for the purchase of Burmah elephants, but Rs 34,000 was expended. — Against this it is to be said that the elephants which stood the Department at Rs 4275- each, are worth at least Rs 2500 each over and above that figure and consequently Rs 20,000 for the eight elephants retained may be taken credit
